There is a single start for all courses, less than 500m from the furthest car parking. The walk will include a short section along a minor road, please take care. It will be a punching start.

The Finish is slightly closer to the parking field. There is an old quarry to the south of the Finish. It will be taped, but please warn children who may need to wait at the Finish not to play there.

Map: 1:7500, 5m contours, survey and cartography 2012–13 by Sheffield Skylines based on previous maps by Roger Wilkinson and Andy Hawkins. Minor corrections 2014 and update to ISOM 2017 by Mike Godfree.

Timing: This event will use Sportident electronic punching and feature contactless punching for SIAC cards, though other SI cards will work as normal. SIAC cards will be available to hire at the event on a first-come first-served basis for a fee of £2. E-card hire is £1 if you do not have a Sportident card.

Facilities: toilets available in Assembly.

Dogs: on leads in parking and Assembly only as there is livestock in surrounding fields. Dogs not allowed on the orienteering courses.

Junior Squad Coaching

The East Midlands Junior Squad will be attending a coaching session after the event. Please ignore any mini-kites in the area as these will be for the coaching.

Historic features in the area

Courses have been planned to avoid the Nine Ladies Stone Circle and other historic features, but please avoid diverting through them. We have liaised with Historic England and English Heritage during event planning as Stanton Moor is a protected area – please avoid any damage and help us to ensure continued access.

The footpaths here are popular with walkers and cyclists – please be courteous to other users of the area.

Safety

In accordance with British Orienteering Rules, full leg cover must be worn. Whistles are compulsory, and, in the event of bad weather, waterproof jackets may be made compulsory, and this will be indicated at the entrance to the parking field.

The event has been risk-assessed, but you are reminded of Rule 7.1 that you are responsible for your own safety. There are dangerous crags and former quarry workings in the NW part of the area and these are too extensive to tape. If you see an injured competitor, please stop and assist them (Rule 7.2.1).

There have been moorland fires recently in the Peak District. Please report anything that looks like a fire risk.

There may be unauthorised campers near the Nine Ladies Stone Circle, as it's the weekend before the Summer Solstice. There are unlikely to be any issues, but please make Juniors aware.

Any first-time orienteers should start with a Yellow or Orange course.

Courses close at 2:30pm, from which time controls will be removed. You must report to Download even if you retire, to avoid a needless search.
