

HolmeBrook Provisional Results - 9th September 2020

Apologies for the misplaced 209. Further apologies for the various misfunctions of the mini-printer at Download. I have done my best to decipher the 'receipts', but particular apologies to those whose finish time was not recorded. I think the equipment has got a bit rusty from lack of use, as I said the doctor the other day.....

Thanks to all this who helped on the day, and to those others who offered to help.
