Andrew Middleton – Rtd. Injured after No 9

A great evening! – I thought that it would be a fairly low-key Level D event for the Wednesday Night Runners, a few keen DVOers, several Map-Run regulars and perhaps some local residents. However, incorporating Mike and Liz Godfree’s send off to Bonnie Scotland meant that I was overwhelmed with offers of help and a good attendance of competitors.

Two Courses seemed sufficient, and I received lots of “Great Run” comments, but maybe the Long/Challenge proved to be a bit too long for some people.

The Private Room at the Seven Wells was packed with 40+ people who wanted to wish Mike and Liz a warm ‘Cheerio’

My thanks to Jane Burgess for her moving and amusing tribute speech to Mike and Liz, all the Helpers, the Staff at the Seven Wells and finally to Mike and Liz for all their many years of devotion towards making DVO a welcoming and progressive Orienteering Club.

Rex Bleakman, Planner and Organiser.
